

We support neurodivergent children and youth through collaborative care: ABA, speech-language pathology, and psychotherapy working as one unified team, not three separate providers.

What makes us different: genuine collaboration

Too often, ABA and speech therapy happen in separate rooms with separate goals; at Elemenoe, they happen as one.

OUR SERVICES

- Collaborative ABA + SLP therapy
- Speech-language pathology
- Psychotherapy
- Interdisciplinary assessments

WHO WE SUPPORT

Autism

ADHD

Language delays

Behaviour concerns

Developmental delays

Ages 0-18
